Personal & Contact information

- Name: Mohammad Jalal Safaeian

- Date of Birth: 14 May 1993

- Gmail: mjalal.safaeian@Gmail.com

- Cell-phone: (+98) 912-6380334

Education

Associate degree in Computer Engineering

Student of BSc Computer Engineering (Software Developer)

Professional developments

- **Microsoft Certified Solutions Expert (MCSE)**

    - Installing and Configuring Windows Server 2016

    - Install and Configuration of Active Directory Domain Services

    - Administering Windows Server 2016

    - Configuring Advanced Win Server 2016 Services

    - Designing and Implementing a Server Infrastructure

    - Implementing an Advanced Server Infrastructure

- **VMware VCP6_DCV**

    - Managing ESXI Hosts

    - Deploying & Configuring Vcenter

    - Configuring V-Switch & Storage

- **Cisco Certified Network Associate (CCNA)**

    - Networking Fundamental
    - Ethernet LANs and Switches
    - IP Version4 Addressing and Subnetting
    - IP Version 6
    - LAN Switching

- **Cisco Certified Network Professional (CCNP Switch)**

  - Switch operation
  - Switch port configuration
  - Building a campus network
  - Configuring 802.1x
  - VLAN Trunking protocol
  - Spanning-tree protocol
  - Configuring DHCP on Cisco Switches

- **Cisco Certified Network Professional (CCNP Route)**

  - Fundamental Routing Concepts
  - IGP Routing protocols
  - Fundamental EIGRP,OSPF & BGP Concepts
  - MPLS , DMVPN , GRE-Tunnel & Route Redistribution

- **Cisco Certified Design Associate & Professional**

  - General Network Design
  - LAN & WAN Design
  - IPv4 & IPv6 Design
  - Enterprise Campus Network Design
  - Enterprise Data Center Design
  - IPsec & SSL VPN Design
  - Security Services Design

- **Studying CCIE Routing & Switching: Advanced BGP Concept, IPsec, Multicast & Qos**

Areas of interest: **Works With:**

- VMware VCDX   Cisco 2960, 3560 & 3750 Switches

- HP SERVERS & SAN Solutions   Cisco 2900 Router Series

- EMC   HP DL 380 & 580 Series (ILO Management)

- Service Provider & Security   HP SAN Solutions P2000 & P4300

- Juniper   Mikrotik Router boards

Work experience

- 2 Years' Experience on Passive & Active Project (Panahnet Company)

- 2 Years' Experience as a Sales Expert on HP & CISCO Devices (Hezareh Asr Novin Company)

- 1 Years' Experience as a Sales Expert on CISCO Devices (Novin Ertebatate Faraz Company)

- Experience on Hardware Repairs for 6 Years at Computer Repair Shop

- Supporting ATA Airlines Network 2013-2016

- Design and Implementation of internal network of Farzanegan 7 High school

- Implementation of Internal network of the National Space Center
